

LECTURER

Department of Chemistry FACULTY OF SCIENCE

The Chemistry Department within the Faculty of Science at the University of Cape Town seeks to fill a three year contract academic position in physical chemistry at lectureship level, to strengthen its teaching and its present research themes in physical chemistry: biophysical and bioanalytical chemistry, supramolecular chemistry, scientific computing and chemical glycobiology.

Requirements

- A PhD in physical chemistry or an appropriate cognate discipline with postdoctoral experience.

Advantages

- A track record of research publications in physical chemistry.
- Some lecturing experience.

Principal duties and responsibilities:

- Conduct research in an area of focus in the Department
- Teach courses in the sub-discipline of physical chemistry at both introductory and senior undergraduate level (including service courses).
- Contribute to administration in the department

The annual remuneration package for 2015, including benefits is R639 848.

For more information about the post please contact Professor Timothy J. Egan at head.chemistry@uct.ac.za or 021-650-2528.

To apply, please e-mail the below documents in a **single pdf file** to Tracy Moore at recruitment04@uct.ac.za:

- UCT Application Form (download at <http://forms.uct.ac.za/hr201.doc>)
- Motivational letter and a research and teaching statement
- Curriculum Vitae (CV)

Please ensure the title and reference number are indicated in the subject line.

An application which does not comply with the above requirements will be regarded as incomplete.

Telephone: 021 650 5405 **Website:** <http://www.chemistry.uct.ac.za>

Reference number: E18169 **Closing date:** 4 June 2018
