

LECTURER/SENIOR LECTURER: ORGANIC CHEMISTRY
DEPARTMENT OF CHEMISTRY
FACULTY OF SCIENCE

The Department of Chemistry within the Faculty of Science at the University of Cape Town seeks to fill a permanent academic position in Organic chemistry at the level of Lecturer or Senior Lecturer. The Department has active research groups with strengths in catalysis, bioinorganic, biophysical and bioanalytical chemistry, synthetic chemistry, medicinal chemistry, supramolecular chemistry, scientific computing and chemical biology. Programmes are devoted to fundamental and applied chemical research, and to interdisciplinary studies in which chemistry plays a key role. Our mission is to pursue cutting edge research and deliver leading edge training and tuition to postgraduate and undergraduate students in chemistry.
