

PROJECT MANAGER: DOLPHIN-3
(Payclass 11; 3-year contract)
Desmond Tutu HIV Centre
Department of Medicine
Faculty of Health Sciences

The Desmond Tutu HIV Centre (DTHC), based at the Faculty of Health Sciences (FHS), is committed to the pursuit of excellence in research, treatment, training, and prevention of HIV and related infections in South Africa.

We seek a dynamic individual to join our research team as Project Manager. The main purpose is to provide strategic operational and resource management support to the DoIPHIN-3 consortium. You will be based at UCT within the clinical trial management team, reporting to Prof. Catherine Orrell and Dr Thoko Malaba (co-PIs), while working alongside a multi-disciplinary team from 4 institutions other than UCT, including University of Liverpool, Liverpool School of Hygiene and Tropical Medicine (UK), Radboudumc (Netherlands) and the Infectious Diseases Institute at the University of Kampala (Uganda) to deliver the project.
