

SENIOR RESEARCH OFFICER

(4-year contract)

HIV Mental Health Research Unit Department of Psychiatry & Mental Health FACULTY OF HEALTH SCIENCES

The HIV Mental Health Research Unit within the Division of Neuropsychiatry seeks to appoint a Senior Research Officer / Clinical Psychologist / Social Scientist to manage a hybrid effectiveness trial of the reach, uptake and effectiveness of Cognitive Behavioural Therapy for Adherence and Depression (CBT-AD), in 10 health clinics in the City of Cape Town.

The research is funded by the National Institute of Mental Health in the U.S. and is a R01 grant, in collaboration with investigators from the University of Miami, and the Massachusetts General Hospital. We invite applications from suitably qualified candidates for immediate appointment for this full-time, 4-year contract position.

The Senior Research Officer will primarily be responsible for the day-to-day running of the project as well as oversight, training and supervision of all staff. The ideal candidate would be a self-motivated, driven researcher / clinician with research experience and strong leadership qualities.
